## the Econ 21' x 8'

The Econ is the latest addition to the Liberty Guard range of stand-alone Health and Welfare Units.

Powered by two independent 5ka generators the Econ delivers satisfactory Welfare Facilities within an economical framework. The Liberty Econ is ideally suited where intermittent usage is a factor.

### Canteen Area

The main area incorporates a 1000mm x 600mm stainless steel sink.

Hot water is via an over sink 7 litre storage water heater. The kitchen comes complete with base and wall units, fridge, microwave and kettle.

Drinking water is provided with a water cooler. Other fittings, include paper towel dispenser, waste bin, mirror and notice board. The seating area is designed with perimeter bench seating with coat hooks above and a central table. Heating and lighting as standard.

### Toilet

No-mains chemical toilet system ventilated by in-line electric fan and two obscure glazed windows. 560mm wash basin (elbow sink) with instantaneous spray water heater above. Standard fittings include paper towel dispenser, toilet roll holder, mirror, waste bin and coat hooks.

### Drying Room

Perimeter bench seating with steel support legs. Hat and coat hooks. Tubular heating.
